

## **Data Protection and Privacy Explanation Pursuant to Article 13 of the GDPR for the Semester Deutschlandticket**

The following provides data protection information on the processing and, in particular, the sharing of your personal data as an enrolled student at Universität Hamburg (hereinafter “the University”) from the University to S-Bahn Hamburg GmbH in connection with the purchase of the semester Deutschlandticket.

### **1. Contact information for the controller and data protection officer**

#### **a. The controller for your data (under Article 4 number 7 GDPR) is:**

### **2. Purpose of processing of your personal data and legal basis**

The University student body, represented by AstA (student council), has concluded a contract with the Hamburg Public Transport Association (HVV), represented by S-Bahn Hamburg GmbH, for the purchase of the semester Deutschlandticket by students enrolled at the University and entitled to purchase the ticket (= students obliged to purchase the ticket). In accordance with this contract, the semester Deutschlandticket is issued as a personalized, digital ticket and thus requires the named student to complete an authorization check by logging into their respective Shibboleth account before the ticket can be issued and subsequently used. As part of this authorization check, the University will transmit certain personal data to S-Bahn Hamburg GmbH.

If you belong to the aforementioned group of students and download the semester Deutschlandticket via your Shibboleth account after completing the authorization check, the University will hence transmit the following personal data to S-Bahn Hamburg GmbH at your request:

- Last name, first name
- Date of birth
- Status (enrolled student)

By downloading the semester Deutschlandticket via Shibboleth, you ultimately conclude your own contract with S-Bahn Hamburg GmbH for the purchase of your individual semester Deutschlandticket, which entitles you to make individual journeys with the Hamburg Public Transport Association (HVV).

Therefore, the processing of your data is necessary for fulfilling the contract to which you are a party or for taking precontractual measures, at your request, prior to entering into a contract, and the provision of your data is contractually required. Without providing your personal data, you will not be issued or able to use the semester Deutschlandticket.

This data processing is lawful under Article 6 paragraph 1 letter b GDPR.

### **3. Recipient / categories of recipients**

S-Bahn Hamburg GmbH is the recipient of your personal data.

### **4. Duration of data storage**

Since the University does not store your personal data processed in connection with the purchase of the semester Deutschlandticket exclusively in this context on its systems—it must also process and store this data for other purposes (e.g., for examination registrations in accordance with Article 6 paragraph 1 letter e, paragraph 2, paragraph 3 GDPR in conjunction with Section 111 subsection 1 sentence 1 HmbHG)—your data will generally be stored at the University at least until the time of your withdrawal. However, if you are not obliged to purchase the semester Deutschlandticket, your abovementioned data will not be processed in connection with the purchase of the semester Deutschlandticket but rather will be blocked for this processing purpose and will not be transmitted to S-Bahn Hamburg GmbH.

Find further information on the duration of storage of your personal data by S-Bahn Hamburg GmbH on the following web page: [Datenschutzhinweise zum Deutschlandsemesterticket der S-Bahn Hamburg GmbH](#).
