

FUNDING FOR STUDENT RESEARCH GROUP APPLICATION FORM

Project title and short description

Project title

Short decription of the project (max. 800 characters)

To which of the 17 sustainability goals would you assign your research project? (multiple goals may be mentioned) Please briefly justify your choice.

Group members and mentor

Group members

Please state the following: Last name and first name, gender, national (n) or international (int), student ID number, email adress, degree program, subject semester, desired degree, faculty

Spokeperson		
Last name, first name	Phone number	
Optional: Mentor		
Last name, first name	Faculty	Status group

Projected duration

Amount requested

Project description

Max. 3 pages; feel free to use a document of your own

Describe your project idea and aims in detail and outline your scientific question and methods. Place your project within the scientific discourse and explain your motivation. Refer to the other selection criteria relevant for funding (e.g., societal relevance, innovation, sustainability, options for cooperation). If the project is already underway, describe your preliminary work and the steps that have already been taken.

Timetable and implementation plan

Please use the form.

Create a timetable with information about when which measures and steps will be taken to complete each project phase and to ensure that goals are reached. Use the form "Timetable".

Finance plan

Please use the form.

Create a financial plan detailing the use of funds. Describe your resources and what they are needed for. State the total amount of funding you are requesting. Use the form "Financial Plan".

Accompanying letter

The accompanying letter should express the support of a professor working in the field. Ideally, this professor would agree to mentor or supervise the group.

Attachments

Attach the documents below to the application:

Declaration

The project members accept the the framework and selection criteria by submitting this proposal. In particular, they acknowledge and agree to the following::

- They are not entitled to funding.
- No explanations for the selection of the projects will be offered.
- The ISA Center cannot provide details on the processing time for application or on the anticipated start of the funding.
- The ISA Center will contact you after the selection has taken place, but will not provide any

intermediate information concerning ongoing selection processes and asks you to abstain

from contacting them with questions about the status of your application.
