[Summer School 2024: Health Economics]

[Module 1]

[Course 1a: European Health Care Systems]

[Course description]

Title: European Health Care Systems

Lecturer: Prof. Dr. Mathias Kifmann

Course duration in academic hours: 12 hrs

Credits (ECTS): 3 credits in combination with course 1b

Course description

In this course, we discuss variants of health care systems in Europe. We analyze how they organize the finance and delivery of health care. The health care systems of Germany and England will be presented in greater detail. Furthermore, we consider selected features of other European countries. We discuss institutional structures, indicators of health and health care systems, and findings of empirical studies.

Notice: The program is subject to change.
