IMPORTANT INFORMATION

- A. If this pre-application is successful, a 3 page application must be submitted to the DWIH New York. The second application process is coordinated by the Dept. of International Affairs at Universität Hamburg. Within the second application process, the above designated academic coordinator must submit two small excerpts (max. 250 words each) on the following issues: (1) How the event supports the mission and the German Center for Research and Innovation, (2) The value the event would bring to Universität Hamburg, the German research landscape or German industry and how it would contribute towards strengthening transatlantic relations between the U.S. and Germany.
- B. The final decision for the event at DWIH New York lies with DWIH New York and its program committee. If the committee approves the event, funding will be granted.
