Short Project Description

Project Goals

Explain your selection of partner university/universities. If the selected university is not a strategic or profile partner, separately explain the importance of the partnership.

What content-related or financial contribution will the partner make?

How will you help students gain intercultural experience in addition to subject-specific knowledge through the courses on offer?

The ILLF@home program aims to establish international virtual learning and teaching formats for the long term. To what degree is the project embedded in the curriculum and how do you plan on ensuring the project being applied for will become a long-term aspect of the curriculum?
