- Mostly, it was ok. But there are some reservations
- Networking time
- Nice people, friendly tutors
- Open people, who are interested to know each other
- Relaxed atmosphere
- The friendly and pleasant atmosphere
- The people and topics
- making new friends
- sehr gute und entspannte Atmosphäre
Pause zwischen dem Vortrag
- tutors and meeting new friends

3.2) Do you have any suggestions for ways to improve the Intercultural PIASTA Evenings?

- Bigger room in need!
- Bio Cola and Mate were not good. Maybe for next time normal coffee! Beer was good! Atmosphere also! Really liked!
- Bio-Cola was miserable. I missed the real one. The food was absolutely disgusting. The beer's quality could have been much better. The organizers should be more polite and friendly to the people.
- Die Bio-Cola war ekelhaft. kein Bio-Zwang. Bitte alternativ für nicht-bio-Leute. Die Bio-Cola war nicht trinkbar.
- Einteilung in Gruppen bei Eintritt, damit man bei den Gruppenfragen/- spielen in verschiedene Gruppen kommt
- For food, you should be hungry. Otherwise sometime it finishes fastly. One could serve the food part by part.
- In the past, there were a warmer atmosphere. The atmosphere was better, because of music. At the moment the atmosphere is a little bit to tense. Maybe speak english at the presentation.
- Keep doing!
- Less program, more talks
- More interactive, small group activities, so you get to know others. less lectures and videos

- More of them
 - Some of the presentations was boring and very general
 - Sometimes you have to be more interesting
 - Speak the german language more slowly for non-speakers to catch up.
 - more beer
-

Thank you for your help!
