3. Suggestions

3.1) What did you like most about the Intercultural PIASTA Evenings?

- Food, people, topics
- Get to know other people, nice atmosphere, varying topics
- Great!
- Gute Unterhaltung mit anderen Studenten
- Meeting new people
- Talking to new people from new cultures
- The drinks, the food and the cool atmosphere
- The music
- To get to know other students, especially those who are not at my faculty.

3.2) Do you have any suggestions for ways to improve the Intercultural PIASTA Evenings?

- Der Raum ist zu klein, es ist zu eng. Teilweise langatmige Präsentation
- Get a larger room! Some events for international students only!
- Some people don't seem to fit in...are they students? They seem to be here because it's for free and cause a bit trouble.. Not much but some, here and there. Everyone should enjoy these evenings.
- There should be Radler

Thank you for your help!
