4. Suggestions

4.1) Any aspects of the seminar which you particularly liked?

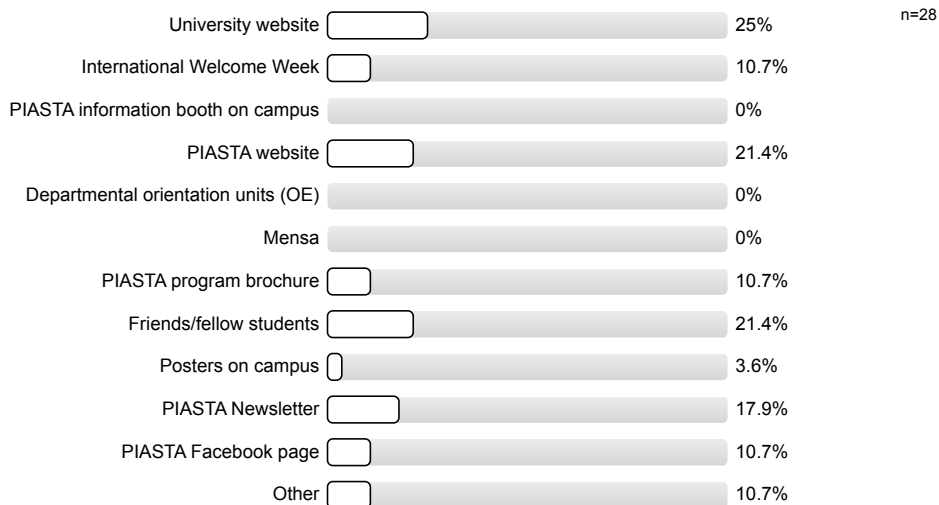

- - very well researched
 - all the informations incorporat into a lively story
 - fun examples & games
 - a huge amount of usefull information
- A lot of well prepared informations.
- Inviting guests for interviews relevant to the topic (a Syrian refugee, a volunteer working with refugees in Hamburg).
- New websites that I haven't heard about --> very useful --> will share with my friends
- PowerPoint presentation
- The information is very useful
- The seminar was well planned as well as nice.
- The way to direct the people follow your interview in politically method.
- There should be more equipments and helping doots.
- first hand accounts of experiences
- question + answer opportunities
- questions
