Fragestext

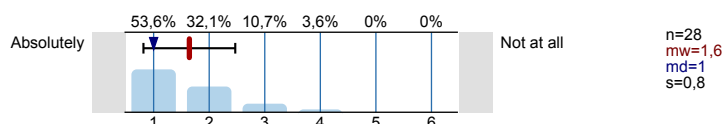

1. Seminar

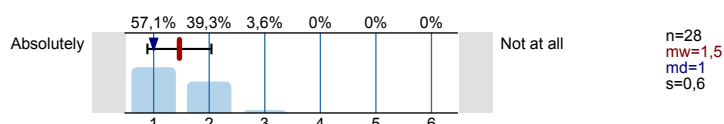

1.1) I have acquired skills in this seminar that I can use for my studies or during my doctoral studies or in my (future) professional life.

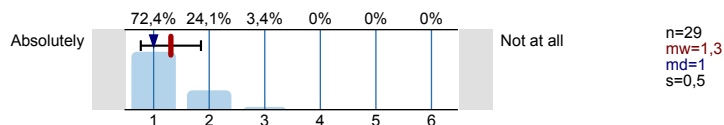

1.2) I succeeded in achieving the learning objectives that were announced in the seminar description.

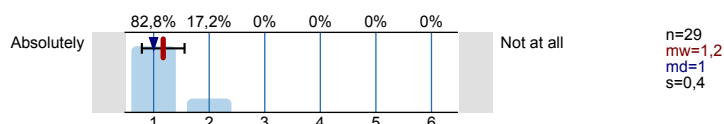

1.3) The material used and presented in the seminar (if any) proved to be helpful.

1.4) I enjoyed the in-course diversity (participants' cultural background, subject of study, gender, age, etc.).

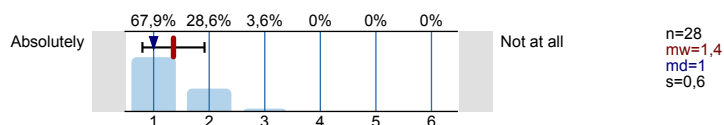

1.5) The seminar atmosphere was pleasant.

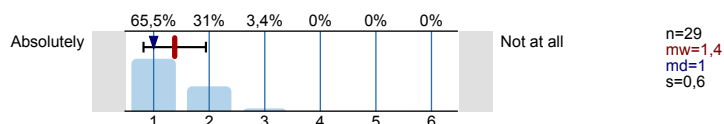

2. Training/ Teaching

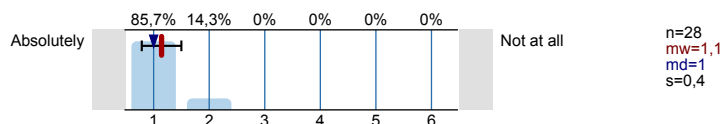

2.1) The seminar contents were presented in a comprehensible, easy-to-follow way (e.g. by the use of examples, visualizations etc.).

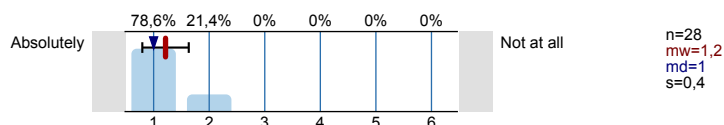

2.2) The applied methods (presentation, group work, role-plays, discussions) were adequate.

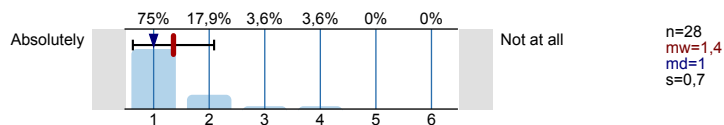

2.3) The trainer was competent in the relevant subject area.

2.4) The fact that the trainer him-/herself was an experienced graduate or doctoral student proved to be very helpful

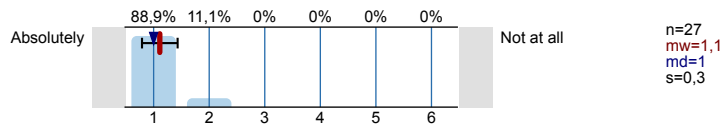

2.5) The timing of the seminar was well planned.

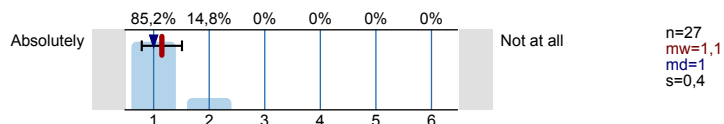

3. Organization

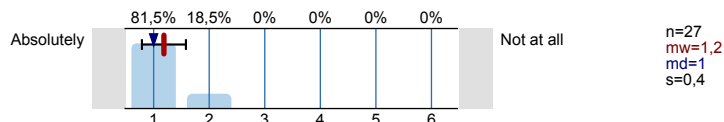

3.1) I was satisfied with PIASTA's organization of the seminar (information, registration).

3.2) I was satisfied with the room.

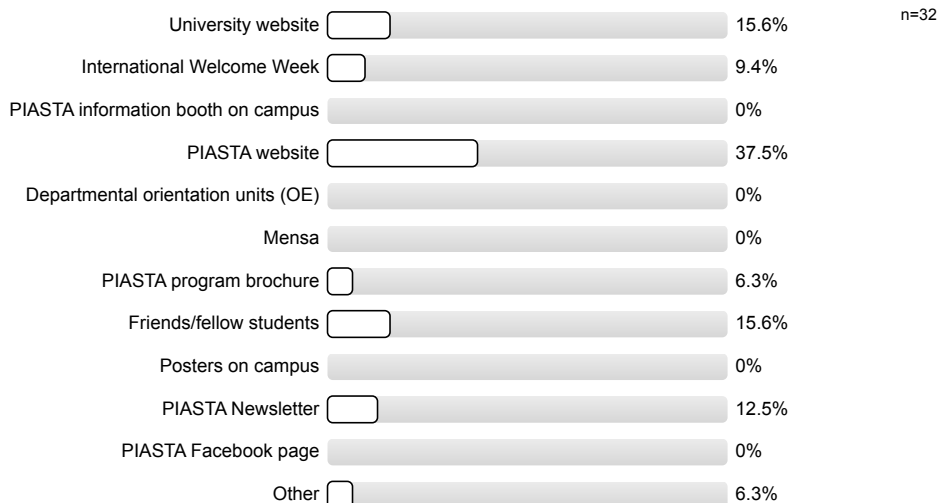

3.3) The use of equipment (media, technology) was adequate for the seminar.

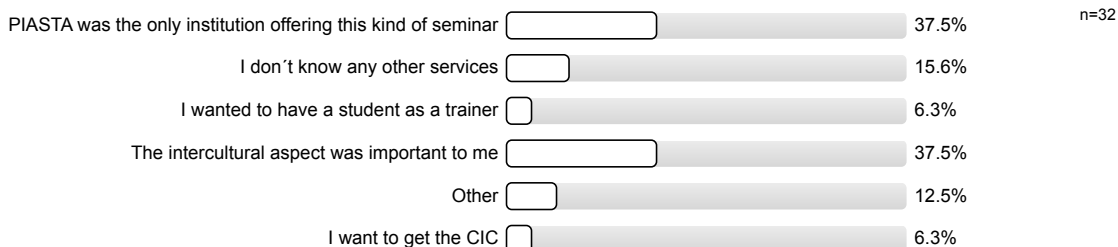

4. Suggestions

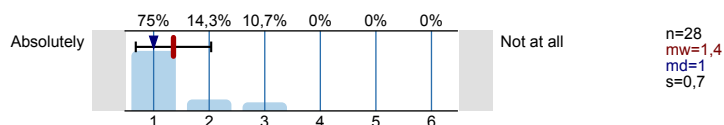

4.3) How did you find out about PIASTA? (Multiple selections possible)

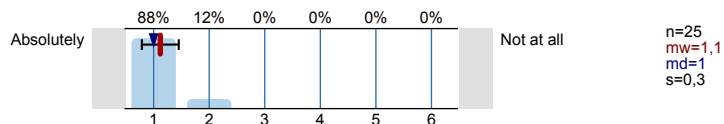

4.5) There are many events, courses and seminars offered at the University of Hamburg - why did you particularly pick this one? (Multiple selections possible)

4.7) If I were to choose, I would definitely pick this seminar again.

4.8) I will recommend PIASTA's events, seminars and services to others.

Thank you very much for your time!
The PIASTA-Team
