Online survey about Welcome Week

• We work hard to plan events and activities and would love to get your feedback.

• Our team will hand out a QR code for a questionnaire at in-person events. After you have taken part in your last event of the week, let us know how the week went for you.

• No QR code? No problem. At the end of Welcome Week, we can also give you an email link for the online questionnaire.

• After your last event at the end of the week, take a few minutes to answer the questions.

Thank you!
