

Faculty/Department: Mathematics, Informatics, Natural Sciences/Mathematics
Seminar/Institute: Research Training Group 1670 "Mathematics Inspired by String Theory and QFT"

Universität Hamburg invites applications for a Research Associate for the project **“Research Training Group 1670 "Mathematics Inspired by String Theory and QFT”** in accordance with Section 28 subsection 3 of the Hamburg Higher Education Act (Hamburgisches Hochschulgesetz, HmbHG). The position commences on October 1, 2018.

It is remunerated at the salary level TV-L 13 and calls for 39 hours per week.

The fixed-term nature of this contract is based upon Section 2 of the Academic Fixed-Term Labor Contract Act (Wissenschaftszeitvertragsgesetz, WissZeitVG). The term is fixed for a period of two years.

The University aims to increase the number of women in research and teaching and explicitly encourages women to apply. Equally qualified female applicants will receive preference in accordance with the Hamburg Equality Act (Hamburgisches Gleichstellungsgesetz, HmbGleiG).

Responsibilities:

Duties include academic services in the project named above. Research associates can also pursue independent research and further academic qualifications.

Specific Duties:

The Research Associates duties would include: (1) carry out independent research on a topic in the scope of the RTG; (2) support the doctoral students in their area of expertise; (3) help to run the students self-organized activities such as the RTG student seminar; (4) help in the organization of special activities of the RTG such as block seminars and summer schools.

Requirements:

A university degree in a relevant subject plus doctorate. Specifically we ask for an academic degree in Mathematics or Physics plus doctoral degree. Research with relations to one or several of the topics of the Research Training Group. A slight preference will be given to applicants whose research interests relate to at least one of the algebraic projects in the RTG.

Severely disabled applicants will receive preference over equally qualified non-disabled applicants.

For further information, please contact Gerda Mierswa Silva or consult our website at grk1670.math.uni-hamburg.de.

Universität Hamburg
DER FORSCHUNG | DER LEHRE | DER BILDUNG

Applications should include a cover letter, curriculum vitae, copies of degree certificate(s) and three confidential letters of recommendation.

The application deadline is January 10, 2018. Please send applications to: Gerda Mierswa Silva, Email: rtg1670.office@uni-hamburg.de, Fachbereich Mathematik, Universität Hamburg, Bundesstr. 55, 20146 Hamburg, Germany.
